What's New?

Crimson Interactive (Enago) acquires The Charlesworth Group, creating a powerhouse in China's publishing ecosystem

The acquisition provides the Charlesworth Group and Enago with the scope to build solutions to successfully address researcher and publisher challenges, in particular, assisting publishers to navigate the transition towards Open Access in China

Crimson Interactive announced the acquisition of The Charlesworth Group, a company with headquarters in the UK and known for its China-focused language polishing, agency sales, marketing services and technology offerings. Enago is a trusted name in author services for the global research community. For close to two decades, the company has been a preferred partner for publishers, universities, societies and authors worldwide.

WHAT OUR CLIENTS HAVE TO SAY

"I have great respect for your work and thank you very much for your help. The book project would not have been possible without you. Now I hope that the book will be a success when it is published by CRC Press in 2023. I wish you all the best for your future. In Enago I will rate your work very highly."

"Totally disappointed on the quality of work. I'm now spending an enormous amount of time to correct the mistakes that the editor made. "

"We requested the number of characters be reduced if possible, but on the contrary, it was increased considerably. Some parts, such as plurals are inconsistent. "

"The proofreader had excellent oncology, immunology and medical knowledge and completely understood my paper. I have used your service several times, I am very satisfied with the best person to proofread my paper. We will ask for the same person next time ."

EDITOR SPEAK

MB1525, United States

I have been exceedingly impressed with the level of professionalism at Enago. The recruitment process was exactly as promised, and the team responded to my initial questions almost immediately.

While the deadlines are sometimes challenging, but they are very manageable. Also, Enago sends you a 'reminder to upload' email prior to the deadline so there is never a concern about missing the mark!

As for the invoicing, the process is quite easy and in the event that you forget to send the invoice, the online interface does it for you. I have always received my compensation on time.
