# WHAT OUR CLIENTS HAVE TO SAY

*"This is my first time using a proofreading service in Enago. What is produced by Enago really helps me in submitting it to international journals. And the time needed to do proofreading is very fast. What surprised me the most, not only correcting the grammar, but also the revisions substantially helped me a lot."*

*"This manuscript is pretty bad, and was obviously just haphazardly changed in a rush."*

*"The proofreading this time was not satisfactory with many careless mistakes and lack of uniformity, the areas we relied on the most. "*

*"Dear editors, I just wanted to thank you for your very good and careful editing! Also your advice was very helpful! Thank you so much, I really appreciate it."*
